Act of the Tepoelan Salanda’s territories national level name delegation Act of 2022

- ~ Act of the Tepoelan Salanda’s territories national level name delegation Act of 2022 ~

~ Act of the Tepoelan Salanda’s territories national level name delegation Act of 2022 ~

Whereby it shall be known and declared that the names of territories of Salanda’s names shall have national level names placed upon them that shall be listed below in legislation and internal and external reference on a national level. The Salandarian territories shall be referenced by their national level names and not by their territorial level names, the national level names are above the territorial level names.

[As such:]

Buso territory (territorial level name) - Buso territory [as well on a] (national level name)

Negev territory (territorial level name) - Buso territory [as well on a] (national level name)

New Lucia (territorial level name) - Buso territory [as well on a] (national level name)

Vaniville (territorial level name) - Veavel (national level name)

Signed: Reuben I, Act shall come into force upon sealing (Signed and sealed on 17 November 2022) [Act later amended by the Constitution of Salanda (Basic Foundation Laws of Salanda) as the majority of the territories mentioned in this Act have now become Provinces of Salanda under the Nineteenth Amendment to the Constitution of Salanda (Basic Foundation Laws of Salanda)]
